**Chris:** Please edit for me. The content went through program review for accuracy.

**Toni:** Please use the boring photos but not the mason jar photos for the final layout. (I believe Ben sent to you separately. Let me know if you don't have them and I'll send along).

Thanks, Toni.

Can we change the headline in first story to "EPA Determines Extent of RIM in Operable Unit 1, Area 1"?

Still waiting on some pictures to come in.

Hi Toni,

Here is the WLU for layout. Please let me know if you have any questions. I should have a picture or two for you regarding the split samples coming soon from Superfund.
